MEDIATION AND ARBITRATION OF DISPUTES

1. HILLCREST CHRISTIAN SCHOOL, a California nonprofit corporation dba HERITAGE CHRISTIAN SCHOOL (the "School") is a Christian institution which believes that the Bible commands individuals to make every effort to live at peace and resolve disputes with one another in private and within the parameters set by the Christian Church (see Matthew 18:15-20; 1 Corinthians 6:1-8). Therefore, the School, and the parents, legal guardians, and legal representatives of its students (hereinafter the parties) agree that except as expressly exempted from these provisions, any and all claims or disputes which would otherwise be the basis for legal or court action, which arise from or are related to the School and its operation, including all aspects of a student's relationship with the School, its administrators, faculty, and staff, shall be settled by biblically based mediation and, if necessary, legally binding arbitration.
2. The parties hereto agree to mediate any dispute or claim as above described arising between them before resorting to arbitration. Mediation is a process by which parties attempt to resolve a dispute or claim by submitting it to an impartial, neutral mediator, who is authorized to facilitate the resolution of the dispute, but who is not empowered to impose a settlement on the parties.
3. The mediation shall be conducted in accordance with the Guidelines for Christian Conciliation Rules of Procedure of the Institute for Christian Conciliation, a division of Peacemakers Ministries (or its successor), which can be found at <http://peacemaker.net/project/guidelines-for-christian-conciliation>. The mediation shall be conducted at a location in the San Fernando Valley, as determined under the **Rules of Procedure**. The parties to the dispute may mutually agree to the selection of an alternative method of mediation and/or a mutually acceptable alternative mediator to resolve the dispute.
4. If any party commences an arbitration or court action based on a dispute or claim to which the mediation provision applies without first attempting to resolve the matter through mediation, then in the discretion of the arbitrator(s) or judge, that party shall not be entitled to recover attorney's fees, even if they would otherwise be available to that party in any such proceeding.
5. The parties hereto agree that any dispute or claim in law or equity arising between them which is not settled through mediation, as above provided, shall be decided by neutral, binding arbitration and not by court action, except as provided by California law for judicial review of arbitration proceedings.
6. The dispute shall be submitted to legally binding arbitration in accordance with the **Rules of Procedure** promulgated by the Institute for Christian Conciliation, and judgment upon the arbitration award may be entered in any court having jurisdiction. In the event the arbitrator or arbitrators selected pursuant to the **Rules of Procedure** above described decline to act, either party may submit the dispute to arbitration which shall be conducted in accordance with the Rules of either ADR Services, Inc. (ADR) or Judicial Arbitration and Mediation Services, Inc.- Endispute (JAMS/Endispute). The selection of ADR or JAMS/Endispute shall be made by the party first filing for arbitration. The parties to an arbitration may agree in writing to use different rules and/or arbitrator(s). The cost of mediation and/or arbitration shall be governed by the Rules of Procedure. The parties shall have the right to discovery in accordance with Code of Civil Procedure Section 1283.05. In all other respects, the arbitration shall be conducted in accordance with Part III, Title 9 of the California Code of Civil Procedure. Judgment upon an arbitration award may be entered in any court otherwise having jurisdiction.
7. Exempted from the provisions of these mediation and arbitration provisions is the collection of monies due the School for tuition or other charges. Such collections may be enforced directly by legal action. The mediation and arbitration provisions created herein are not intended and do not give parents, guardians, or other legal representatives standing to arbitrate matters arising from the administration and implementation of the School's educational functions. Also exempted from the provisions of this Mediation and Arbitration of Disputes Agreement are any disputes which by law are required to be resolved by a governmental agency or are by law expressly exempted from arbitration.
8. If a dispute or claim involves an alleged injury or damage to which the School's insurance applies, the School's insurer may elect not to submit the dispute or claim to mediation or arbitration as described in this Agreement, in which event unless the parties otherwise agree, this Mediation and Arbitration of Disputes Agreement shall no longer be binding with regard to that part of the dispute or claim to which the School's insurance applies. Except as otherwise provided herein, the parents, legal guardians and legal representatives of their student agree that this Mediation and Arbitration of Disputes Agreement shall provide the sole remedy for any dispute between them, their children, or students, and the School and do hereby waive, on behalf of themselves, their children and students, the right to file any legal action against the School in a civil court or agency, except to enforce an arbitration award.

I/We have read the Mediation and Arbitration of Disputes Agreement printed above and agree to be bound thereby.
