

Chapel Exemption Form

Dear Pastor,

You are receiving this form because you have a student who is doing Independent Study through Heritage Christian School. As part of our mission statement to not only make disciples, but to educate our students in mind and spirit, we ask that each student attend weekly chapel here on campus. Sometimes, however, homeschooled students may not be able to attend chapel due to scheduling conflicts. As an alternative, we ask families to be serving in a local church, or to be involved in a weekly youth group.

Would you please take a minute to verify that you know the student listed below and that he/she is indeed in weekly service at your church or in regular attendance in your youth group? Thanks so much! We appreciate all you are doing to sow into the lives of these students.

Carrie Irving

Heritage Christian School Academy Coordinator

School year: 2018-19
